

## Section 3 – External Auditor Report and Certificate 2021/22

In respect of **Rockland St Mary and Hellington Parish Council – NO0362**

### 1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- The smaller authority has not restated the 2020/21 figure when revaluing assets in Section 2, Box 9. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability.

Information has come to our attention from the internal auditor highlighting the fact that Sections 1 & 2 of the 2020/21 AGAR/Notice of conclusion of audit/and external auditor report and certificate were not published on the authority's website by the dates specified in the Accounts and Audit Regulations 2015.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Box 4 of Section 2

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to weaknesses in relation to updating documents, documentation on the website and compliance with transparency code requirements. We understand that the smaller authority has subsequently addressed these matters but must ensure that action is taken to address any remaining areas of weakness in a timely manner.

### 3 External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
